

EW-09

Semi-automatic Terminal Crimping Machine

Features

1. Terminals from JST, MOLEX and TE are the typical applications of this machine.
2. 2.0 T crimping force.
3. Equipped with foot pedal for the operator.
4. Fast and accurate crimping-
5. Low noise.

Technical data

Model	EW-09C
Application	Wide range of industrial terminals (contacts)
Crimping force	2 T
Stroke	30 mm
Motor power	0.75 kW
Power supply	110, 220 V (50 - 60 Hz)
Weight	45 kg
Dimension	410 * 410 * 770 mm
