

EW-05G

Wire Cutting and Stripping Machine (1.5 - 50 mm²)

Technical data

Model	EW-05G
Stripping capability	3-layer stripping for shield cable
Wire material	Wide range of industrial wires
Conductor cross-section	1.5 - 50 mm ²
Cutting length	1 - 100,000 mm
Cutting length tolerance	< 0.002 * L
Stripping length (side I)	Full strip: 0 - 250 mm Half strip: no limit
Stripping length (side II)	Full strip: 0 - 150 mm Half strip: no limit
Slitting function	Optional
Maximum guide tube diameter	17 mm
Driving mode	12-roller servo motor driving with belts feeding
Display mode	7-inch touch screen
Memory capacity	200 programs
Blade material	High speed steel
Productivity	1500 - 2500 pcs./h
Power supply	110, 220 V (50 - 60 Hz)
Power	800 W
Weight	105 kg
Dimension	650 * 550 * 1100 mm
