**5** YEAR WARRANTY

Light is one of the most important space-shaping elements. Therefore it is worth to consider the quality of the selected lighting fittings. The SMD LED series of modern fittings is an innovative solution of lighting that is functional and decorative at the same time. The fittings emit high quality light and their compact form, matching contemporary furniture, enables a multitude of arrangements. The fittings can be connected in order to achieve the lighting line of the desired length, and the energy-efficient LED light makes it possible to achieve a spectacular effect in any interior.
