

EW-09-1

Semi-automatic Terminal Crimping Machine

Features

1. Terminals from JST, MOLEX and TE are the typical applications of this machine.
2. 5.0 T crimping force.
3. Equipped with foot pedal for the operator.
4. Fast and accurate crimping-
5. Low noise.
6. With protection cover

Technical data

Model	EW-09F-1
Application	Wide range of industrial terminals (contacts)
Crimping force	5 T
Stroke	40 mm
Motor power	1.8 kW
Power supply	110, 220 V (50 - 60 Hz)
Weight	73 kg
Dimension	260*300*710 mm
