

## EW-2105

### Full Automatic Terminal Machine Press Machine (Double head)

---

### Technical data

---

Model	EW-2105
Applicable wire range	AWG28-AWG12
Stripping length	0-10mm
Cut precision	$\pm(0.5+0.002*L)$ mm, L=cut length
Cutting length	45-9999mm
Capacity	3000-4500pcs/hour
Crimping force	2.0T
Applicators	30mm or 40mm strokes for optional
Air pressure	0.4-0.6Mpa
Detection	Wire run out, low air pressure, terminate error(Crimping force monitor is for optional)
Power	220V/110V/50/60HZ
Display language	Chinese/English
Dimension	700*800*1500mm
Weight	358Kg
Power cord plug	European, USA, Chinese plug
