

## EW-50A -3 Wire Stripping and Crimping Machine

---

### Features

---

1. Wire stripping and crimping all-in-one machine
2. High stability, ultra-quiet working environment.
3. Designed with automatic skinning department, inching and automatic return function.
4. Stripping part adopts famous brand pneumatic components, can rapidly complete the stripping operation efficient and stable.

### Technical data

---

Model	EW-50A-3
Applicable wire diameter	AWG26-AWG16
Stripping length	1-10mm
Stroke	30mm
Crimping force	3T
Motor rate	1100W
Machine rate	1500W
Air pressure	0.3-0.4mpa
Power	220V/110V/50HZ/60HZ
N.W	120kg
Dimension	500*450*1000mm
