

EW-3010+SM

Intelligent software controlled wire cutting stripping machine

Technical data

Model	EW-3010+SM
Wire material	PVC, fiberglass wire etc.
Conductor cross-section	2 - 50 mm ²
Cutting length	1 - 100,000 mm
Cutting length tolerance	± 0.0001 * L
Stripping length	Side I: 0 - 150mm Side II: 0 - 150mm
Maximum guide tube diameter	18 mm
Driving mode	By rollers
Blade material	High speed steel
Productivity	5000 - 6000 pcs./h
Power supply	110, 220 V (50 - 60 Hz)
Weight	96 kg
Dimension	700 * 700 * 480 mm
Special requirement	Can be used with any stripping machine and terminal machine
