

EW-8160

Automatic double ends Loose terminal crimping machine vibration feeder

Technical data

Model	EW-8160
Applicable wire range	AWG26-AWG14
Stripping/Twisting length	0-15mm
Cut precision	$\pm(0.5+0.002*L)$ mm, L=cut length
Cutting length	40-9999mm
Capacity	1000-1300pcs/hour
Crimping force	2.0T
Applicators	30mm or 40mm strokes for optional
Air pressure	0.6-0.8Mpa
Detection	Wire run out, low air pressure, terminate error(Crimping force monitor is for optional)
Power	220V/110V/50/60HZ
Display language	Chinese/English
Dimension	1150*750*1600mm
Weight	358Kg
Power cord plug	European, USA, Chinese plug
