

## **EW-5345**

**Multi-core Cable stripping crimping and housing inserting machine**

---

- **Automatic straightening, easy wiring: peeling and tapping terminals are completed at one time, convenient and fast**
- **Frequency conversion control is adopted to realize soft start, soft stop and no mechanical loss**

# Housing Inserting & Crimp

Model

EW-5345

Cable type

Multiple conductor cable, flat cable etc.

Applicable wire size

AWG32-AWG18

Terminal spacing

1.0-3.96mm

Production capacity

Around 400-550pcs/hour

Stripping length

Side A: 1-7mm

Cutting accuracy

$\pm (0.2\% * L + 1)$  mm

Air pressure

0.5-0.7mpa

Machine size

L1221\*W1000\*H1700

Weight

Around 360kgs
