

EW-19C

Electric heat shrink tube heater

Technical data

Model	EW-19C
Heating wire diameter	<100mm
Heating width	<260mm
Heating length	<180mm
Heat Temperature	<260°C
Heating power	300W*12
Overall machine power	<4000W
Weight	43.5KG
Heater size/Control box	470×547×387mm;270×252×151mm
Heating method	Infrared tube radiation,heating on both sides, local heating
Timing heating	YES
