

## EW-708

### Automatic brush shield and twist weave stripping tin machine

---

## Technical data

---

Model	EW-708
Whether to provide processing customization	yes
Power form	Linkage
Control mode	D 2mm-10mm
Working voltage	AC220V 50HZ
	Wattage 1KW
Stripping Length	10-40mm
Work efficiency	200
Weight	280KG
Machine size	2160*730*1250mm
