

## EW-05C

### Wire Cutting & Stripping Machine (0.3 - 25 mm<sup>2</sup>)

---

## Features

---

1. High precision and productivity solutions for wire cable cutting and stripping.
2. Easy to operate program and low maintenance.
3. Safety protection.
4. Optional external device connection possibility: Wire feeding machine, and wire take-out device...

## Technical data

---

Model	EW-05C
Wire material	PVC, fiberglass wire etc.
Conductor cross-section	0.3 - 25 mm <sup>2</sup> (27 - 3 AWG)
Cutting length	1 - 99,999 mm
Cutting length tolerance	< 0.002 * L
Stripping length	0 - 50 mm
Maximum guide tube diameter	13 mm
Productivity	3000 - 4000 pcs./h (25 mm <sup>2</sup> , L = 100 mm)
Noise level	< 70 dB(A)
Power supply	110, 220 V (50 - 60 Hz)
Power	500 W
Weight	32 kg
Dimension	390 * 350 * 255 mm
