

## EW-8075

### Automatic Wire Crimping Machine for Automotive Industry Machine

---

### Technical data

---

Model	EW-8075
Applicable wire range	0.3-6mm <sup>2</sup> (AWG9-AWG23)
Cutting length	60-99999mm
Stripping length	0.1-18mm
Crimping force	3.0Ton
Crimping Stroke	30mm or 40mm stroke both available
Wire collection	2m-4m( Can be customized)
Feeding speed	Max. 8.0m/s
Productivity	4500~ 5000 pcs/hour (depend on wire cutting length)
Air pressure	0.5-0.7Mpa
Stripping/Cutting accuracy	±(0.002mm*Stripping Length/Cutting length)
Detection function	Non-wire, crimp detect, pressure(to be installed with press sensor)
Power supply	220V/110V/50HZ/60HZ
CFM	Optional
Weight	1100Kg 1800W
Dimension	3500*1200*1700mm
